Number of Clinic Shifts/week (as above) are average expected/scheduled for assignment.

Vacation is chosen by residents, 1 week per rotation up to 4 weeks per year. No vacation is permitted during FMS, MCH, Peds IP, and Clinic First months without special approval from PD.

Clinical didactics are scheduled for 4 hours/week for all residents.

Longitudinal assignments are scheduled for 4 hours/month (PGY2/3), with a rotating schedule of Community Health and Equity, Scholarly Work, and Faith in Medicine/Ethics.

*Residents may "self-design" electives (e.g. Faculty Development, Global Health Rotations) with appropriate goals/objectives and curriculum approved by PD.
